

Free Data Recovery Software – EASEUS Data Recovery Wizard 4.8 Beta Out Now for Free Testing and Usage

NEW YORK, N.Y., Dec. 29 (SEND2PRESS NEWSWIRE) – EASEUS Software, the innovative, dedicated data recovery software provider, offering professional data recovery solutions running from hard drive disk or portable storage device under Windows OS environments, today announces EASEUS Data Recovery Wizard 4.8 Beta. It is provided for Windows 2008 and Windows 7 users to test and use free before February 1st, 2010.

Built upon the already popular data recovery software version – EASEUS Data Recovery Wizard 4.3.6, this Beta version supports Windows 2008 / Windows 7 and does provides quicker and better performance to recover deleted, formatted files; or data loss due to partition loss or damage, software crash, virus infection, unexpected shutdown or any other unknown reasons.

The list of features below is what this data recovery software beta version offers:

- Recover data from hard drive, USB drive, hardware RAID, SD card, memory card, etc.
- Recover deleted or lost files emptied from Recycle Bin.
- Recover file after accidental format, even if Windows is reinstalled.
- Get data back from RAW hard drives.
- Get files back after a partitioning error.
- Recover office documents, photos, images, videos, music, email, etc.
- Support FAT12, FAT16, FAT32, NTFS / NTFS5 file systems.
- Support Windows 2000 / XP / 2003 / Vista / 2008 / Windows 7.

With all features of current EASEUS Data Recovery Wizard 4.3.6, we invite you to try and test the free download of this data recovery software:

www.easeus-software.com/drw-beta/.

According to the company, “EASEUS thanks you for testing our newest products and encourages your comments and feedback. Only through public testing, can we evaluate how the product performs in the ‘real world’ environment. We firmly believe that, with the support of enthusiastic beta testers, we can elevate our products to a higher quality before releasing. We hope you enjoy testing this release!”

Pricing and Availability:

Totally free for everyone, EASEUS Data Recovery Wizard 4.8 Beta enjoys all features of the coming full version and works well under Windows 2000 / XP / 2003 / Vista / 2008 / Windows 7. More information on this free data recovery software: www.easeus-software.com/drw-beta/.
