LaForte Financial Services, Regal Blu Pool & Spa, and Total Insurance Brokerage each recently signed leases for office suites. “We couldn’t be happier with the results of our brokerage partners, Casey and Adam, and the tremendous job they’ve done in a very tough marketplace,” said Mat Field, TFG Landlord Representative. “The majority of existing suites at 2009 Summer Street are less than 2,000 square feet, so we’ve been a preferred option for those tenants who don’t want to be in a co-working space, or at home.

Alternatively, we've been happy to accommodate circumstances where tenants need to relocate and right-size their space."

Cognetta said, "2009 Summer Street is a great downtown value in a clean, quiet, well-maintained building – the perfect environment to support smaller and growing businesses. The location offers walkability, convenience, and good access to I-95 and the Merritt Parkway."

This ADA-compliant property has only a few smaller suites available, some of which are built-out for light medical use. TFG has maintained its headquarters at 2009 Summer Street for 20 years and owns and manages a portfolio of commercial properties in the region.
