

New Upgraded EASEUS Data Recovery Software 5.0.1 Available For Windows 7 Users Now

NEW YORK, N.Y., Feb. 9 (SEND2PRESS NEWSWIRE) – EASEUS Software, the innovative and dedicated data recovery software provider, today officially released the new version of its data recovery software – EASEUS Data Recovery Wizard 5.0.1 – with new added-on features: Windows server 2008/Windows 7 support, enhanced performance of hard drive scan and data recovery.

Built upon the already popular data recovery software version 4.3.6, the newly upgraded version of EASEUS Data Recovery Wizard 5.0.1 provides a more widely featured “one-stop data recovery solution” under Windows OS and enables you to: recover deleted files emptied from the Recycle Bin, format recovery and partition recovery due to virus infection, partition damage or loss, software crash, virus infection, unexpected shutdown or any other unknown reasons.

Works well under Windows 2000/XP/2003/Vista/2008 or Windows 7; it supports recovery of lost files from hard drive, hardware RAID, USB external hard drive, Memory Card, Memory Stick, camera card, SD Card, Zip or other storage media.

Most importantly, no matter if you are a beginner or advanced user, it provides “wizard modes” to recover lost data, including:

- Deleted File Recovery – Recover deleted files even emptied from the Recycle Bin.
- Complete Recovery – Recover lost files due to format, “RAW” partition, virus infection, software crash, unexpected shutdown, etc.
- Partition Recovery – Recover files from damaged or lost partition.

The main features of EASEUS Data Recovery Software 5.0.1 are as follows:

- Support Windows 2000/XP/2003/Vista/2008/Windows 7.
- Recover deleted or lost files emptied from Recycle Bin.
- Recover file after accidental format, even if Windows is reinstalled.
- Get data back from RAW hard drives.
- Get files back after a partitioning error.
- Recover office documents, photos, images, videos, music, email, etc.
- Support FAT12, FAT16, FAT32, NTFS/NTFS5 file systems.

Pricing and Availability:

Data Recovery Wizard runs under Windows 2000, XP, 2003, Vista, 2008, Windows 7 and starts at \$69.95 (USD) for a single-user license. Licensed customers get lifetime technical support and free updates. More information on the product, as well as its free trial copy is available from www.easeus.com.
