

ePly Online Event Registration Announces Accreditation by the Better Business Bureau

VANCOUVER, Canada, Feb. 11 (SEND2PRESS NEWSWIRE) – ePly Services Inc. (@ePly), an online event registration software company based in North Vancouver, B.C. is pleased to announce that it has met all BBBOnLine participation and Better Business Bureau accreditation standards and is authorized to display the BBB Accredited Business seal.

The BBB Code of Business Practices represents sound advertising, selling and customer service practices that enhance customer trust and confidence in business. The Code is built on the BBB Standards for Trust, eight principles that summarize important elements of creating and maintaining trust in business.

This Code also represents standards for business accreditation by BBB. Businesses based in the United States and Canada that meet these standards and complete application procedures will be accredited by BBB.

“We are proud to be accredited by the Better Business Bureau, and feel confident that our outstanding track record in business will continue to be upheld for years to come,” says Jim Romanik, President of ePly Services Inc. “ePly was built on sound principles of customer trust and company integrity. It is encouraging to be recognized for this and we look forward to our relationship with the Better Business Bureau.”
