

# Taycor Financial Announces New Lease Program with TOMI Environmental Solutions

LOS ANGELES, Calif., March 10 (SEND2PRESS NEWSWIRE) – Taycor Financial is a leading provider of [equipment leasing and financing](#) and has launched a nationwide leasing program for TOMI Environmental Solutions, Inc., a global green leader in infectious disease control and surface and air remediation equipment.

Dr. Halden Shane, CEO of TOMI, states “In today’s difficult financial times, we are thrilled to be able to offer our clients that purchase our state of the art air remediation and infectious disease control equipment with 100 percent financing through Taycor. We are trying our best to make it easier for the remediation and healthcare industry to take advantage of our Green product line in light of today’s current credit crunch.”

“It’s all about personal service. We want clients to look at us as long term partners in their success. We will go the extra mile with TOMI and their remediation and healthcare industry clients in order for that to happen,” says Bob Skibinski, Taycor’s CEO and Founder.

## **About Taycor Financial:**

Founded in 1997, with offices in Los Angeles, Calif. and Boston, Mass., Taycor Financial is a fiscally sound and economically responsible partner for all forms of equipment financing solutions. We strive to help vendors, dealers and manufacturers of any industry to gain access to the best possible financing and leasing options for their customers, for any type of new or used equipment from \$5,000 up to \$5 million.

Their aim is to provide first class financial expertise along with offering the fastest, most reliable service in the equipment leasing industry. For more information about Taycor, visit: [www.taycor.com](http://www.taycor.com).
