

New Updated EASEUS Partition Master 5.5.1 Now Available

NEW YORK, N.Y., April 12 (SEND2PRESS NEWSWIRE) – EASEUS, the provider of affordable, scalable partition management, data recovery and disaster recovery utilities, today announced the immediate availability of EASEUS Partition Master 5.5.1 – a comprehensive partition tool and system optimization software for Windows 2000/XP/Vista/7 and Windows server 2000/2003/2008. Built upon the popular EASEUS Partition Master 5.0.1, this latest version helps rebuild MBR, wipe disk and defragment and is simply the most powerful partition management utility available today.

Aiming to deliver the most comprehensive and powerful partition and disk management solutions for both Windows PC users and server users, EASEUS Software Group uses the latest technologies to continuously enrich the features of its partition manager to satisfy the needs of the most demanding users.

Apart from basic partition manager features like resize and move partition, extend system partition, create partition, etc. – and advanced features with Disk & Partition Copy and Partition Recovery Wizard – the new added features in this version (mainly to maintain and protect your hard drive) are listed below.

New Features:

Rebuild MBR – quickly rebuild MBR to boot the system again in case of system failure like “Operating System not found”;

Wipe Disk – Permanently wipes sensitive data on disk to fully protect your privacy;

Defragmentation – maintain your system or hard disk by defragmentation for better computer performance.

EASEUS Partition Master, the professional partition manager and system optimization software, delivers a comprehensive partition management solution to efficiently manage your hard drive and fully protect and maintain your computer, and you can rest assured you will not be frustrated with any partition or disk problem when using it.

Pricing and Availability:

Web Special \$159 (originally \$199) for Windows Server users is available if you buy it from EASEUS' Website at partition-tool.com/easeus-partition-manager-server/.

EASEUS Partition Master Professional Edition is available for \$39.95 directly from EASEUS' Website at partition-tool.com/professional.htm.

Additionally, free for home users, EASEUS Partition Master Home Edition enjoys most features of the commercial version and works well under Windows

2000/XP/Vista/Windows 7 32-bit. Download at: partition-tool.com/personal.htm.
