

EASEUS Data Recovery Wizard Free Edition – the Best Gift Given on Memorial Day!

NEW YORK, N.Y., May 31 (SEND2PRESS NEWSWIRE) – Memorial Day is here and EASEUS will make your day memorable! Just as the CEO of EASEUS Software claimed a few days ago, “We will challenge the traditional data recovery software industry and liberate our users from the limitations that most commercial data recovery software places on users. Users who choose and use our software will be given full control over the software without any limitation.”

Dedicated to satisfying customers with the most reliable and professional data recovery software, EASEUS group aims to design the data recovery software you require and save your money and time. EASEUS Data Recovery Wizard Free Edition is just the right one created to challenge the traditional data recovery software world and now proven to be one of the best by its users.

Break out from the traditional limitation in the data recovery world – this freeware will give you full access to all features that commercial data recovery software has, and most importantly, it even enables you to recover files from all virtual data loss scenarios for free! With this freeware, you will never be restricted to only previewing limited files or limited to accessing just a few features anymore when using data recovery software.

As the first freeware world-wide in the data recovery field, it has already been downloaded more than 30 thousand times in just one week since its release.

“We believe this freeware is just what our users want. We are very proud to bring our users a brand new experience in using data recovery software,” Mr. Liu, CEO of EASEUS said. “We believe that EASEUS software can successfully challenge the traditional practice and bring a bright future for this data recovery software world.”
