

# The Exceptional Free Partition Recovery Software – EASEUS Data Recovery Wizard Free Edition

NEW YORK, N.Y., June 17 (SEND2PRESS NEWSWIRE) – Hard drives divided into multiple partitions to maximize the storage space proves to be effective and helpful, but partition loss is still a common problem for most users. The new version of EASEUS' data recovery software – EASEUS Data Recovery Wizard Free Edition, the innovative and professional [Windows partition recovery freeware](#) for FAT and NTFS – helps you recover deleted or lost partitions and “undelete” them when a partition is deleted or lost.

EASEUS Data Recovery Wizard Free Edition, the exceptional and totally free partition recovery software solution, not only has all basic features that data recovery software should have, for example, recover deleted files, recover formatted files, recover lost files due to power failure, virus infection, etc., but also has some advanced features that most free and commercial data recovery software products like Recuva(TM) and Pandora(TM) do not have, which will easily recover lost files from deleted or lost partitions and save you a lot of hassle.

The features listed below make EASEUS Partition Recovery software stand out:

- Partition recovery to [recover deleted or lost partition](#) and undelete partition;
- Partition recovery from dynamic disk and RAID;
- FAT/NTFS partition recovery;
- Recover deleted or lost EXT2/3 partition;
- File recovery with original file name and storage paths;
- Totally free Windows partition recovery software with powerful features.

Downloaded more than 100 thousand times from Download.com since its release on May 11th, 2010, EASEUS Data Recovery Wizard Free Edition continuously proves itself to be the best and most exceptional [partition recovery software](#) solution on the market.

“I have been an expert in the PC industry for over 20 years. I have used many software products. Your partition recovery software is among the best data recovery software on the market. Your products are exceptional partition recovery freeware...,” said one user.
