

EASEUS Data Recovery Wizard Free Edition – Ideal and Free File Recovery Software

NEW YORK, N.Y., June 22 (SEND2PRESS NEWSWIRE) – EASEUS software, an innovative and leading [file recovery software](#) provider, understands the importance of data and provides the ideal and free data recovery solution EASEUS Data Recovery Wizard Free Edition for its users. It is the first and most comprehensive free file restore software that helps you [recover deleted files](#), formatted files, and even recover deleted or lost partitions when data loss occurs; it provides an ideal experience that other file recovery freeware and shareware offerings cannot.

All computers are subject to a failure, and it is unfortunate when precious files are involved. When this happens, file recovery software becomes the must-have utility to get files back easily and quickly.

There are many data recovery software options available today claiming to “help you recover lost files,” but few file recovery applications really do the job they claim. That is why EASEUS Data Recovery Wizard Free Edition was born.

EASEUS Data Recovery Wizard Free Edition is regarded by many as the “first and best free file recovery software.” It was designed to solve all data loss problems that competing products like Recuva™ or Pandora™ apparently cannot do. Apart from deleted file recovery, EASEUS’ solution can recover formatted files with original names and storage paths, do [partition recovery](#) (www.ptdd.com), and even recover files from a dynamic disk, RAID and EXT2/3 file systems, which achieve almost all the features only provided by commercial file recovery solutions.

With EASEUS Data Recovery Wizard Free Edition, there is no need of supervision by professionals to perform the file recovery task, and it proves to be today’s best free file recovery software as noted by both IT editors and its users.
