

EASEUS Offers Effective Hard Drive Data Recovery Solutions to Solve Hard Drive Data Loss Disasters

NEW YORK, N.Y., July 13 (SEND2PRESS NEWSWIRE) – A recent study by EASEUS Software shows that lots of people lose their vital data due to hard drive crash or corruption. EASEUS Software, the provider of innovative and professional data recovery utilities for Windows, offers an effective solution – EASEUS Data Recovery Wizard Free Edition to easily recover hard drive data from deleted, formatted, damaged or crashed hard drive partitions.

With widely variable uses of hard drives, data loss from hard drive use happens to almost everyone for various reasons like deletion, format or hard drive crash which can make them inaccessible. And hard drive data recovery becomes the first priority when this happens, in the hope of recovering lost important data from the crashed or damaged hard drive. That is what EASEUS Data Recovery Software is really for.

You get more with this free edition than what you get for paying for some commercial products, said one happy user. In fact, EASEUS Data Recovery Wizard Free Edition is perhaps the most powerful and comprehensive drive data recovery software to help recover deleted files, format files recovery, unformat files, recover deleted or lost partition easily and quickly from damaged or crashed hard drive, external USB drive, memory card or other storage media under Windows 2000/XP/2003/Vista/2008/7. And it supports dynamic disk and RAID recovery and almost all Windows files systems like FAT, NTFS, EXT2/3.

“Excellent product. Very easy to use and restoration was quick. EASEUS is good hard drive data recovery software to have,” one of its users reported back to EASEUS. “It got (back) all my lost files from corrupted hard drive that even Recuva and Pandora couldn’t get.”

Does exactly what they claim, EASEUS Data Recovery Wizard Free Edition has won great popularity since its release and is the first now-widespread free – but comprehensive – data recovery software in its field.

Pricing and Availability:

EASEUS Data Recovery Wizard Free Edition 5.0.1 runs under Windows 2000, XP, 2003, Vista, 2008, Windows 7 and is totally free for everyone. More information and free download is available from easeus.com/datarecoverywizard/free-data-recovery-software.htm.
