

# Voices.com Earns Top Score for Best in Class Service from The Interactive Media Awards

LONDON, Ontario, Aug. 12 (SEND2PRESS NEWSWIRE) – Voices.com was honoured with a “Best in Class” Interactive Media Award (IMA) for professional services. “The Best in Class” award is the highest honour bestowed by the Interactive Media Awards, representing the very best in planning, execution and overall professionalism.

Voices.com successfully passed through an intensive judging process. The IMA judges maintain the highest degree of fairness, accuracy and integrity; competently and effectively evaluate entries, delivering clear results.

Voices.com received top marks for graphic design, content, feature functionality, usability and Standards Compliance & Cross-Browser Compatibility. A points-based system is used to judge each entry, with maximum score of five hundred points. Voices.com earned a total score of four hundred and eighty one; an achievement only a fraction of sites in the IMA competition earn each year.

## **About Interactive Media Awards:**

The Interactive Media Awards recognize the highest standards of excellence in website design and development and honour individuals and organizations for their outstanding achievement.

Created by the Interactive Media Council, Inc. (IMC), a non-profit organization of leading web designers, developers, programmers, advertisers and other web-related professionals, the competition is designed to elevate the standards of excellence on the Internet and offer winners a boost in marketing and exposure. IMC serves as the primary sponsor and governing body of the Interactive Media Awards™, establishes the judging system and provides the judges for the competition.

## **About Voices:**

Voices.com is the online marketplace where businesses connect with voice actors and voice over talents. Radio and television stations, advertising agencies, marketing executives, casting directors and voice talent agencies rely on Voices.com to easily search for and hire language service providers such as translators, narrators and professional voice over talents with the assistance of their award-winning web service.

Organizations that have worked with Voices.com include NBC, ESPN, PBS, The

History Channel, Reader's Digest, Comcast, Nortel Networks, Bell Canada, Microsoft, Cisco Systems, ING, Western Union, Ford, GM and thousands more.
