

The Dating World Gets a Companion

DALLAS, Texas, Aug. 25 (SEND2PRESS NEWSWIRE) – Ever wonder why people pay a dating coach hundreds or even thousands of dollars? Otter Creek Motion Pictures announces the release of a new DVD – “[Secrets of Successful Dating.](#)” This new DVD is designed to give the advantage of a dating coach and provides positive reinforcement in the privacy of the client’s living room.

Online Dating Magazine estimates that more than 20 million people visit at least one online dating service per month. And on average, according to Jupiter Research, people who pay for online dating services spend a total of \$239 per year.

“We’re very excited to provide not only the online dating world, but anyone who dates or is contemplating dating with this amazing dating coach companion,” says Tom Sykes, co-owner of Otter Creek Motion Pictures. “We wanted to create a valuable and positive video for a fast-growing segment of our population – the dating world. And, after much research, we learned that there was no such dating resource out there.”

Renowned dating coach, [Alma Avery](#), gives sound advice to men and women on how to remove mental blocks to success and provides practical tips that every dater should know. She is a nationwide, date-doctor and certified counselor. From online dating advice to first date do’s and don’ts, she can help.

Avery provides clients with the ability to stand taller and to gain that inner confidence they may be lacking. She breaks down dating barriers and communicates that there is no such thing as “being out of your league.”

Topics include: tapping into the opposite sex; rethinking rejection; intimacy exercises; ways to ask for what you want; the power of body language; looking good, head to toe; and much more.

The run time for the video is 65 minutes and it’s available for \$14.99 at: www.datingwithalma.com or www.ottercreekmp.com or on Amazon.com.
