

SYGNVS Integrated Solutions Named to the Sage North America President's Circle for 2010

COVINGTON, La., Nov. 22 (SEND2PRESS NEWSWIRE) – SYGNVS Integrated Solutions, Inc. (www.sygnvs.com), a Sage North America business partner specializing in the sales, installation, and support of Sage ERP MAS 90, Sage ERP MAS 200, and Sage MIP Fund Accounting has been named to the Sage America President's Circle for the 2010 business year. President's Circle award winners are the top performing business partners for Sage Business Solutions (SBS) products. Sage recognizes SYGNVS and all President's Circle winners for their outstanding contributions in 2010.

In January 2011, President's Circle award recipients will receive further recognition from Sage at an executive retreat at the Hotel del Coronado, the quintessential San Diego, CA luxury hotel from Jan 31 through Feb 3, 2011.

"It's a great testament to the hard work and focus on our mutual customers that SYGNVS has succeeded in becoming a Sage North American President's Circle Award winner," said Paul Johnson, executive vice president for sales with Sage Business Solutions. "We applaud the efforts of the entire team at SYGNVS and wish them continued success in the years to come."

"In serving the nonprofit, government and commercial sectors in Louisiana, we want to provide them with the very best solutions and support and our Sage portfolio of products allows us to do that," said Betty Motichek, Director, at SYGNVS. "We are very proud of our efforts this past year that resulted in our achievement of President's Circle and we're very excited about new complementary software offerings we'll be announcing to enhance the solutions we can bring to the businesses, nonprofits and local government entities in Louisiana going forward."

SYGNVS has been serving small and mid-sized businesses in Louisiana for over 30 years. SYGNVS has also developed specialized expertise for nonprofits, charter schools, parish police jury, and sheriff's office organizations. In addition to Sage software products SYGNVS offers technical consulting in the areas of electronic accounting practices and policies, hardware and software evaluation and acquisition, network design and implementation, and security practices and policies.

SYGNVS services include accounting and IT consulting, training, maintenance, contracts and Web services. Typical solutions include system architecture design, installation and customization of software to support business processes as well as customer application design. SYGNVS has offices in Covington and Baton Rouge, Louisiana.
