

TeleManagement Technologies Awarded GSA Schedule for Telecom Expense Management and Call Accounting Products

WALNUT CREEK, Calif., Dec. 1 (SEND2PRESS NEWSWIRE) – The welcome sign is out and the doors are now open at leading software provider TeleManagement Technologies, Inc. for government agencies seeking telecom expense management and [call accounting solutions](#). TTI was recently awarded its US General Services Administration (GSA) schedule, and is now an official Multiple Award Schedule (MAS) Vendor.

With this announcement, many government agencies that are working hard to reduce telecom spending and cut budget can tap the resources available at TTI. From TEM Software to Call Accounting systems, a variety of valuable telecom technology solutions are now available through TTI.

“Government agencies need the same tools as the business community to help drive greater efficiency and squeeze more out of the bottom line,” said TTI’s Managing Director Mike Williams. “For more than 20 years, TeleManagement Technologies has delivered savings and superior customer service to businesses in a variety of industries. With TTI’s addition to the GSA Schedule, government offices large and small now have access to some of the highest quality software and services available on the market.”

Official GSA Price Schedules available now

TTI’s full GSA profile and information is now available in the GSAAAdvantage®, the directory of approved MAS vendors. Additionally, TTI will participate in the GSA’s eBuy system for RFPs and vendor selection. TTI can be found under the following contract information:

Contract number: GS35F0556W
SIC code: 13233
