

# MBA Focus and Alumwire Inc. Announce Technology Partnership

COLUMBUS, Ohio and SAN FRANCISCO, Calif., Dec. 9 (SEND2PRESS NEWSWIRE) – MBA Focus, the leader in top MBA recruiting management systems and Alumwire, the leading provider of interactive talent community solutions announced their technology partnership today. MBA Focus will add Alumwire’s real-time video interviewing technology to its recruiting management systems and Alumwire will strengthen its professional network services by expanding its talent network reach.

Alumwire and MBA Focus have transformed and streamlined MBA recruiting processes through their interactive recruiting platforms that connect top MBA school candidates to leading corporations that seek to hire them, all in real time. The partnership gives both companies’ corporate clients online virtual career fair and integrated video chat booth recruiting capabilities.

“Internet-based video communication tools are a critical new way for MBA Focus’ corporate recruiting clients to reach and recruit top MBA school candidates at our 60+ partner schools worldwide. It’s another way for MBA Focus to help the world’s top employers connect with top MBA students and alumni and recruit more efficiently. Our partnership with Alumwire lets us provide even more recruiting tools to our current corporate clients as well as attract new customers,” said Jack Gainer, Chief Executive Officer at MBA Focus.
