

New Upgraded EASEUS Todo Backup Home 2.0 Available for Advanced Backup and Recovery Solution!

NEW YORK CITY, N.Y., Dec. 30 (SEND2PRESS NEWSWIRE) – EASEUS Software, a leading provider of storage management and data backup and disaster recovery solutions for Windows-based environments, today announces the availability of EASEUS Todo Backup Home 2.0. With more powerful and advanced features added, EASEUS Todo Backup Home 2.0 is an all-in-one backup and recovery solution that makes it easy to protect your PCs from disasters.

EASEUS Todo Backup Home 2.0 is to backup all important data like operating system, photos, music, videos, documents, financial data and applications and fully protect PCs from computer failure or potential disasters.

“We aim to offer comprehensive backup and disaster recovery solutions and provide full protection for your laptops and desktops,” said Mr. Liu, CEO of EASEUS Software.

Bringing together basic functions found in previous versions, EASEUS Todo Backup Home 2.0 introduces a redesigned Graphical User Interface (GUI) to meet the needs of both novices and advanced users and is developed with more advanced features to simplify the backup and recovery process and ensure that critical information is well protected.

The New Features in EASEUS Todo Backup Home 2.0:

- * Fast backup and recovery of system and important files;
- * Incremental backup to save space;
- * Schedule backup to automate regular backups;
- * Selective files backup and recovery;
- * Email notification to monitor success or failure;
- * Bootable media builder;
- * Password protection for sensitive files security;
- * New user-friendly interface;
- * Multiple storage places to save PCs to external hard drive, CD/DVD and even FTP servers.
