

# Sandra Terrell of Huckstep & Associates LLC was appointed to MSCPA Not-for-Profit committee chair

SPRINGFIELD, Mo., Jan. 10 (SEND2PRESS NEWSWIRE) – Sandra Terrell CPA has been named to serve as chair of the Not-for-Profit Committee for the Missouri Society of Certified Public Accountants, or MSCPA, for the 2010-2012 term. Terrell is an accounting professional at Huckstep and Associates, LLC ([www.huckstep.com](http://www.huckstep.com)), a CPA and software technology consulting firm based in Springfield, Missouri. She has been a member of the MSCPA since 2001.

“It’s a great honor to be named chair of the Not-for-Profit committee,” Terrell says. “Since joining Huckstep and Associates 12 years ago, I’ve been fortunate to work with non-profit organizations of all shapes, sizes and backgrounds. The experience has given me a thorough understanding of the day-to-day financial and operational matters related to running them.”

As chair of the influential Not-for-Profit committee, Terrell and the committee will provide education for CPAs on the financial regulations and issues facing their nonprofit clients. “As CPAs, we’re keenly interested in providing value to our non-profit clients while at the same time ensuring compliance with the tax code and accounting standards,” she says. “As such, I see one of the committee’s main challenges to be communication of relevant material and findings through our annual conference and through the publishing of articles.”

Terrell obtained both her Bachelor of Science and Master of Arts in Accounting at Missouri State University. In addition to being a licensed CPA in Missouri, Terrell is certified as a consultant for such software products as Sage FAS Accounting and Sage Inventory Fixed Assets.

Terrell is the second CPA from Huckstep & Associates to be appointed to a MSCPA committee seat. Firm Managing Member Jeannie Huckstep CPA was been named to serve as chair of the Information Technology Committee for the Missouri Society of Certified Public Accountants, or MSCPA, for its 2010-2012 term.
