

Dawn Westerberg Consulting LLC to Provide Strategic Marketing and PR Services to e2b teknologies

AUSTIN, Texas, Jan. 25 (SEND2PRESS NEWSWIRE) – Dawn Westerberg Consulting (www.dawnwesterberg.com), an integrated marketing and public relations services firm based in Austin, Texas, announced today it has been retained by e2b teknologies (www.e2btek.com), a business software and consulting services company based in Chardon, Ohio.

Dawn Westerberg Consulting was founded in 2010 by Dawn Westerberg following a successful career in marketing and sales at Sage, the 3rd largest seller of business software in the world. Westerberg, who is an Authorized Duct Tape Marketing Consultant, says of her company's newest customer win: "I look forward to discovering a variety of marketing and communication strategies to help build upon e2b teknologies's position as a leading provider of business software and consulting services."

Westerberg specializes in helping businesses with strategic marketing, online marketing, brand awareness and public relations. "Dawn will be instrumental in helping us develop meaningful content to enhance the experience of visitors to our website," says James Mallory, Marketing Director of e2b teknologies. "We've begun an aggressive press release schedule with Dawn's help and in addition to the coverage we've received, we've already more than doubled the number of links into our website."

e2b teknologies is among a select group of software resellers in North America specializing in Enterprise Resource Planning (ERP), Customer Relationship Management (CRM), and other software solutions. In her 15 years at Sage, Westerberg worked as a Marketing and Sales Vice President for a variety software product lines sold through a reseller channel. "e2b teknologies is one of those companies with an abundance of compelling product news and customer stories," says Westerberg. "Designing and executing an effective strategic marketing, public relations and online content plan will be a delight for such a talented software firm."

About e2b teknologies:
