

Oasis Solutions Group Hires Two Veteran Business Professionals to Support Clients Using Sage ERP MAS 90/200 and to Attract New Business

LOUISVILLE, Ky., March 1 (SEND2PRESS NEWSWIRE) – Oasis Solutions Group (www.oasisky.com), a business management software consulting firm based in Louisville, Kentucky, announced it has hired Steve Skrabak and Cindy Bryant as a Senior Support Analyst and Business Development Consultant, respectively.

Skrabak's duties will include help desk support for Sage ERP MAS 90 / 200 clients. Prior to joining Oasis Solutions, Skrabak worked as a General Manager, Director of Operational Services and Controller in a variety of industries, most recently in a franchisee company. He will be working out of the Oasis office in Nashville, Tennessee. His extensive business management and accounting experience includes four years of in-depth exposure to Sage ERP MAS 90, as well as other business software applications like FRx, FAS, Crystal Reports and Visual Integrator. He is a graduate of The University of Utah and is currently working on a second degree in Accounting at David Lipscomb University.

Bryant's duties will include new client identification and acquisition, as well as ongoing marketing support. Bryant joins Oasis Solutions after nearly 14 years in medical sales during which she earned numerous performance awards. She is a graduate of Indiana University with a Bachelor of Science degree in Media Communications and minor in Public Speaking.

"We're excited that Steve and Cindy are joining our team at Oasis Solutions," says Annette Manias, President Oasis Solutions Group. "Both will enable us to better identify and serve our client's business software needs in an increasingly competitive world. The challenges facing companies today require a thorough understanding of business requirements to go along with productivity-enhancing software solutions and post-implementation support. We are now better positioned than ever as a team to help our customers achieve their operational goals."
