

# Alabama Graphics Earns an ‘Excellence In Construction’ Award

BIRMINGHAM, Ala., March 16 (SEND2PRESS NEWSWIRE) – Alabama Graphics has been awarded the Excellence in Construction Award by the Associated Builders and Contractors (ABC) Birmingham Chapter for their work in The Clubhouse at The Cottages of Baton Rouge.

Alabama Graphics, working with Dungan and Nequette Architects, designed and installed giclee canvases and framed paper prints to create unique art filled areas within the 11,700 square foot facility.

“This project was a real win – 100 out of 100 points. Our team really enjoys the challenge of high-end production and tight timelines, and I’m proud of them,” states CEO John Davis.

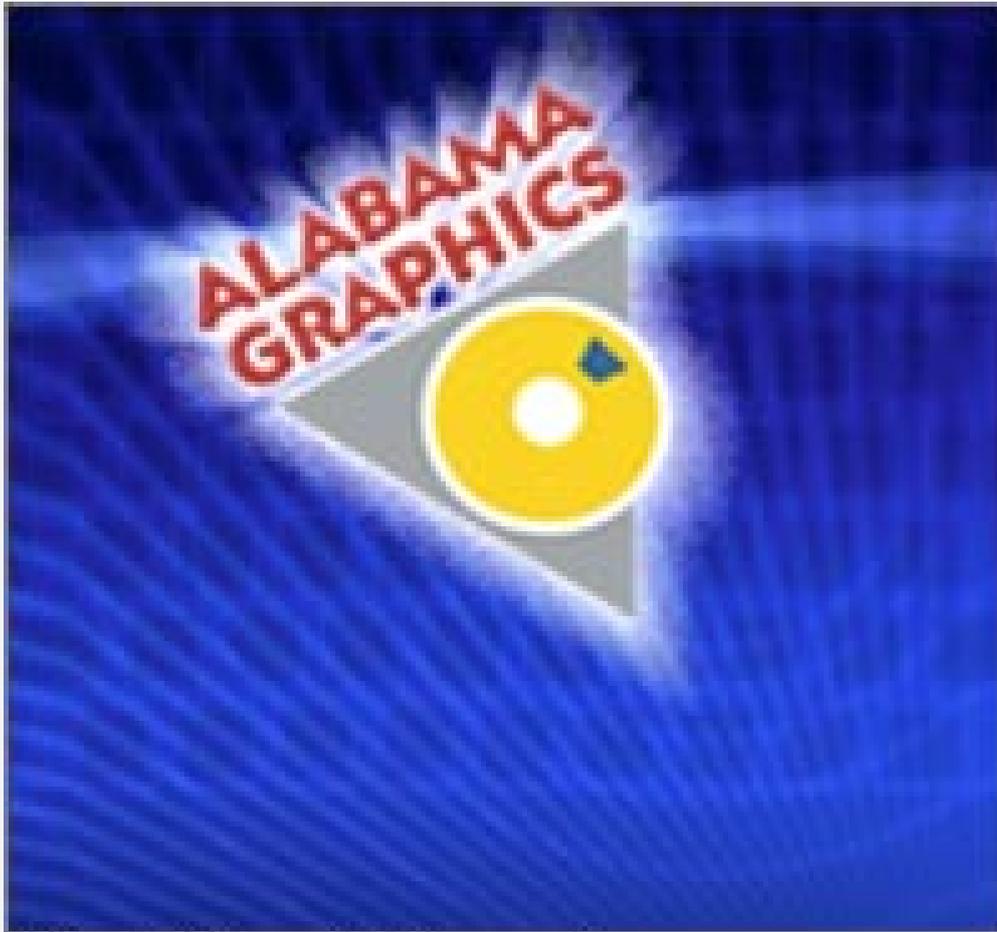

This is the second time that Alabama Graphics ([www.algraphics.com](http://www.algraphics.com)) has received this annual award, which recognizes top construction projects across the state.

## **About Alabama Graphics:**

Alabama Graphics has supported tight-timeline, high-end construction projects in Alabama for over 50 years. They provide color, fine arts, and construction document printing and management services that help architects, engineers and construction teams keep project timelines and costs in check.
