“KnowledgeAdvisors’ Annual Regional User Groups are the perfect opportunity to share ideas with Metrics that Matter users, hear KnowledgeAdvisors product team leadership share upcoming enhancements and optimize learning and talent development measurement within your organization,” cited Kent Barnett, CEO of KnowledgeAdvisors.

About KnowledgeAdvisors:

For organizations that utilize learning and development to drive business outcomes, KnowledgeAdvisors offers learning measurement software that improves the effectiveness and business impact of learning. Unlike the standard reporting and dashboard features included in most learning and talent management software, we combine data from multiple enterprise systems with information collected through evaluations and assessments to paint a complete picture of learning and business performance. KnowledgeAdvisors can even benchmark your learning programs against other organizations.

Headquartered in Chicago and on the web at KnowledgeAdvisors.com .
