

Lyn Lake Chiropractic Earns Third Consecutive CMUS Talk of the Town Customer Satisfaction Award with a 5-star Rating

MINNEAPOLIS, Minn., May 17, 2011 (SEND2PRESS NEWSWIRE) – Achieving a 5-star rating for the third consecutive year, Lyn Lake Chiropractic has once again earned the prestigious CMUS Talk of the Town Customer Satisfaction Award in the Chiropractors category. The award, presented by Talk of the Town News, Customer Care News magazine and Celebration Media U.S. (CMUS), honors companies and professionals that provide excellent customer service as reported by their customers through no-cost, user-review websites, blogs, social networks, business rating services, and other honors and accolades.

This data is analyzed by a team of researchers who calculate a company's CMUS Power Rating™. Only those that receive a 4-star to 5-star rating receive the CMUS Talk of the Town Customer Satisfaction Award.

In business for more than eight years, Lyn Lake Chiropractic is owned by Dr. Kevin Schreifels, who has been practicing for more than 11 years and is also an associate clinic faculty member at Northwestern Health Sciences University in Bloomington, Minn. In total, the practice includes three chiropractors, three certified massage therapists and a certified personal trainer. The practice treats neck, back, knee, ankle, foot, shoulder, elbow pain and more, with state-of-the-art rehabilitation equipment to deal with a host of issues.

Achieving high ratings for customer service is just part of the everyday at Lyn Lake Chiropractic. "We offer same-day appointments, and walk-ins are always welcome since we have such a huge staff," says Schreifels. "Plus, to make it easier to make an appointment, we have a 24-hour answering service, allowing any new or current patients to call any time to schedule an appointment. Furthermore, we accept most medical insurances, and we offer affordable cash prices."

Lyn Lake Chiropractic also supports the community, local athletes and sports teams, including the Twin Cities United Way, the American Red Cross, the Minneapolis Firefighters-Burn Victims, the Twin Cities River Rats Ski Team, Team USA Minnesota and more. Additionally, the practice serves as the official chiropractor of the Medtronic Twin Cities Marathon. In conjunction, it offers injury prevention seminars to numerous running groups and clubs around the Twin Cities.

"Our definition of an athlete is anyone that enjoys being active," says Schreifels. "If you enjoy walking, biking, running, golf, tennis, yoga, lifting weights, walking the dog/cat or playing with your children or grandkids, you are an athlete. At some point, your body will need help keeping up with the 'speed of life,' and Lyn Lake Chiropractic wants to keep

you moving.”
