

Attention! EaseUS Todo Backup 3.0 is Coming Soon, Take Part in Beta Testing and Win Gifts!

NEW YORK CITY, N.Y., July 19, 2011 (SEND2PRESS NEWSWIRE) – [EaseUS Software](#), a leading provider of storage management and data backup & disaster recovery solutions for Windows environment, today announces EaseUS Todo Backup 3.0 Beta. With a more user-friendly interface and many new advanced functions like SQL and Exchange backup, and differential backup, EaseUS Todo Backup 3.0 will certainly become a multi-functional backup software.

Be one of the first to test the beta program of award winning backup and recovery solution, [EaseUS Todo Backup](#) now. EaseUS Todo Backup 3.0 brings an advanced and improved interface and new features such as one-click system backup, complete support of database backup, and recovery from PreOS environment in case of system crash without creating a bootable CD. This beta campaign expires on August 11, 2011 and the full version will be released at mid-August.

New features in EaseUS Todo Backup 3.0:

- * Exchange/SQL Backup and recovery to protect database.
- * Differential backup to only backup changed files since last full backup.
- * Backup basic disk or partition, dynamic volume in case of system crash or hard drive failure.
- * Back up to tape and tape libraries.
- * One-click system backup and recovery.
- * Shut down computer automatically when the operation is completed.
- * Restore system to different hardware.
- * Right-click specified files on both local computer and network to backup and secure your important data.
- * Improved interface that simplifies backup tasks and management.
- * Create USB or CD/DVD bootable disk with better compatibility.

Join in our beta program and try new backup features now to win gifts by visiting <http://www.todo-backup.com/beta-testing> .

EaseUS is constantly working on improving software functionality and ease-of-use. Your feedback will be much appreciated. Please kindly send us your valuable feedback to beta@easeus.com . As a small token of appreciation, we will award free licenses of EaseUS Todo Backup Workstation to the 3.0 beta testers whose feedback helps us most in improving our product. Every provider of feedback will get a 50% discount for any EaseUS software.
