

CCMC Inc. Expands Sales Support Team, adds Jason Lowe as new Vice President of Sales

ORLANDO, Fla., Aug. 1, 2011 (SEND2PRESS NEWSWIRE) – CCMC, Inc., the financial industry's leading technology interface provider, has added a new key member to their sales support team. Jason Lowe has been named the new Vice President of Sales for CCMC Inc. and brings a breadth of experience to the company. Jason's primary objectives will be in supporting CCMC's vendor partner sales forces, providing customer and partner education of CCMC capabilities, and developing new sales processes to bring additional value to both the company and their partners.

Jason comes to CCMC from NCR Corporation, where he served as a National Account Executive for the last five years. In this role, he managed large-tier customer accounts positioning new hardware, software, and services solutions. Jason also brings a strong financial industry technology background with sales of core banking and MCIF/CRM solutions while at the former Kirchman Corporation (now FIS Bankway) and Harte Hanks, respectively.

The previous Vice President of Sales, Dana Giesler, remains with the company and assumes the role of Executive Vice President of Sales. Her new role will allow her to focus more on Executive Vendor Partner Management and other phases of business development.

About CCMC:

CCMC is the leading provider of technology interfaces to the financial industry. CCMC-BridgeWare™ products are designed to streamline lending workflow – improving productivity and reducing cost.

Our primary product is ccmcBridge® which connects loan origination systems to host loan servicing systems. Our partners selected us to provide their interface solutions because of our high quality products, our outstanding service, and our extensive industry experience. For more information, visit www.ccmcinc.com .
