

# Wandering Study Documentary Presents a Different Side of Africa

REDONDO BEACH, Calif., Aug. 1, 2011 (SEND2PRESS NEWSWIRE) – Wandering Study ( [www.wanderingstudy.com](http://www.wanderingstudy.com) ), a documentary film production company dedicated to adding a unique perspective to the common perceptions of global issues, looks to explore another side of Africa.

“We want to show through our film the positive efforts of local thriving businesses and families. We aim to share constructive, personal stories that otherwise might not be told,” said Wandering Study Co-founder, Briana De Marco.

“The tremendous attention brought to the African continent by celebrities such as Bono and Angelina Jolie is important work. We want to help create a more complete picture.”

The documentary project will focus on the countries of Tanzania and Ethiopia. “By documenting these positive stories we can bring a fresh and productive dialogue in solving the problems that do exist throughout Africa,” said Co-founder David Perkins.

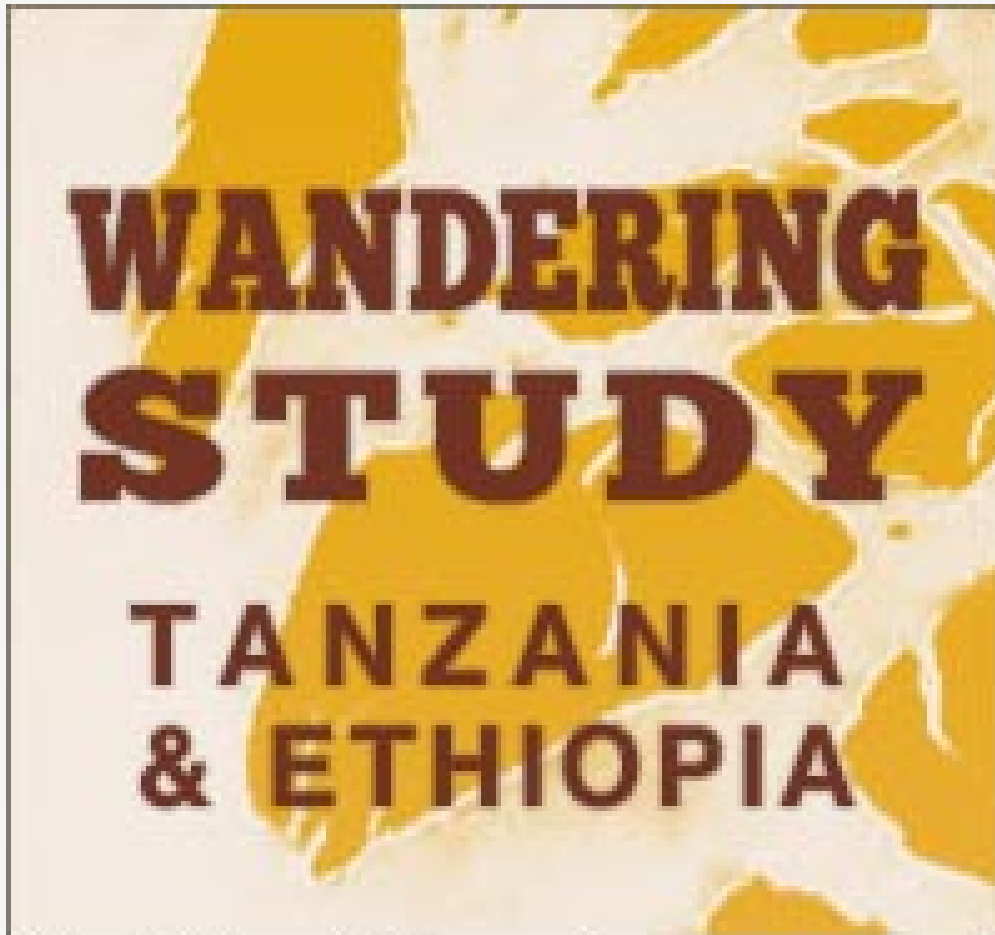

The results of Wandering Study’s progress can be seen at their website, [www.wanderingstudy.com](http://www.wanderingstudy.com) .

Wandering Study is a Los Angeles-based production company.
