

# Sesene Entertainment Releases Hot Club Download of Renowned Turntablist DJ Jimmy Stewart Jr.

SAN FRANCISCO, Calif., Aug. 9, 2011 (SEND2PRESS NEWSWIRE) – DJ Jimmy Stewart Jr. just finished his “I have a Dream” record and Sesene Entertainment is promoting it via a free download on its web site ([www.seseneentertainment.com](http://www.seseneentertainment.com)). “To date, this is the most powerful piece Stewart has done and he believes that this is one of those projects that is and will always be bigger than him,” says Sean Alfonso, president/CEO of Sesene Entertainment.

While attending the Electric Daisy Convention in Las Vegas, Stewart was inspired to create a song that he believed could be an Instant Anthem – “I have a Dream.”

And, he just may be onto something. Stewart has received multiple calls and messages from DJs and producers around the globe about this song; they are requesting a release date and download information.

“Stewart is a diamond in the rough; he is an authentic turntablist and is the most skilled scratch and party-rocking DJ that I have seen in years. I can’t wait to witness what he is going to do next,” says Alfonso.

“I Have a Dream” does serious musical justice to Martin Luther King’s infamous speech of August 1963. The mix is ideal for dance clubs – it’s house music at its best.
