

Mary Mortensen Becomes 360 Mortgage Group's Newest Account Executive

AUSTIN, Texas, Aug. 26, 2011 (SEND2PRESS NEWSWIRE) – 360 Mortgage Group, a privately-owned wholesale mortgage bank, welcomes Mary Mortensen as an account executive in the Southern California region. Mortensen brings more than 25 years of mortgage industry experience to this role.

Prior to joining 360 Mortgage Group, Mortensen worked as a senior wholesale loan executive for Fremont Bank, Reunion Mortgage and Chevy Chase Bank. Mortensen also worked as a senior wholesale loan executive, wholesale loan coordinator, retail loan processor and loan service representative for First Federal Bank of California.

Mortensen was a recipient of First Federal Bank of California's prestigious "President Circle Award" for three years consecutively and completed several in-house education programs with the bank, as well. She earned an associate degree focusing on the Arts and Science from Santa Barbara City College.

"Before working at 360 Mortgage Group, it was very difficult to get out in the field and see brokers because of all the emails and underwriting questions," Mortensen said. "When I saw that 360 had incorporated an underwriting chat button into their system, I was sold."

"So many companies today do not allow brokers to communicate with their underwriters, and this is a big disservice. I love the fact that the brokers here will have all the info they need at their fingertips, giving me freedom to cultivate new business. I hit the jackpot here because 360 has both the technology aspect and employees who are friendly, dedicated, and responsive," she said

"I've known Mary for 20 years," said Buzz Doxey, owner of Sun Coast Financial. "The thing about Mary is her follow up. How our company conducts itself is very important, and I need fair rates and service. Mary will always take care of her end. If I need her to do something, I know it will get done."
