

# Southeast Computer Solutions named one of Accounting Today's VAR 100 List Third Year in a Row

MIAMI, Fla., Aug. 30, 2011 (SEND2PRESS NEWSWIRE) – Southeast Computer Solutions ([www.southeastcomputers.com](http://www.southeastcomputers.com)), a Miami-based consulting firm specializing in Sage business software and implementations, was ranked 75 on the Accounting Today VAR 100, a ranking of the top 100 business software consulting firms in the nation by revenue.

The VAR 100 list (<http://digital.accountingtoday.com/accountingtoday/2011VAR#pg1>) is produced by Accounting Today each year to highlight the most successful VARs, or value-added resellers, offering mid-level business software such as enterprise resource planning (ERP), customer relationship management (CRM) and other office productivity enhancing applications. The 2011 VAR 100 list was released August 17th.

This marks the sixth time in seven years that Southeast Computer Solutions has made the VAR 100. Southeast Computer Solutions is excited to be recognized among the top VARs especially given the tough economic environment. "We continue to support a large customer base in Florida but we've also expanded our efforts in the Caribbean and Latin America," said Sonia Ferrera, president and founder. Southeast Computer Solutions has doubled its staff of multi-lingual consultants, implementers and support technicians in the last six months.

Southeastern Computer Solutions has been steadily expanding over the last six years and ranks among the top Sage resellers in the U.S. every year. "We represent a complete suite of Sage products that fit customers' financial, warehouse, manufacturing and international needs," says Ferrera. "Specifically, we've been able to help US companies that are expanding into the Caribbean and Latin America who need local tax solutions that roll-up and consolidate with GAAP-compliant financials required in the United States."
