

Four Points Part of Winning 7 Delta Team Supporting the Twenty-One Total Technology (T4) Contract Awarded by Department of Veterans Affairs

CHANTILLY, Va., Sept. 6, 2011 (SEND2PRESS NEWSWIRE) – Four Points Technology, LLC is part of the 7 Delta Team that was recently awarded a 60-month, \$12 billion contract by the VA's TAC to conduct program management, strategy, and planning, and provide technical, systems engineering, and other solutions encompassing the entire range of IT requirements, including:

- * Program Management, Strategy, Enterprise Architecture and Planning Support
- * Systems/Software Engineering
- * Software Technology Demonstration and Transition
- * Test and Evaluation (T&E)
- * Independent Verification and Validation (IV&V)
- * Enterprise Network
- * Enterprise Management Framework
- * Cyber Security
- * Operations and Maintenance (O&M)
- * Training
- * IT Facilities.

"Four Points Technology is honored to be a part of 7 Delta's winning team. The VA is our largest customer and our organization is focused on designing and delivering solutions that ensure our customers achieve exceptional results," said David "Chief" Gilchrist, Four Points Technology's President and CEO.

About the T4 Program:

This program consists of a multiple award contract vehicle to provide a comprehensive, worldwide solution to support both VA and non-VA customers with a ceiling value of \$12 billion. The T4 contract is similar to, but not a direct follow-on to Global Information Technology Support Services (GITSS), which was approximately \$3 billion. The engagement, procured out of the VA's TAC, offers an opportunity for multiple prime and subcontractors to provide a broad range of services and products to transform the VA's IT programs. "T4 is a major tool in the transformation of VA into a 21st Century organization," said Secretary of Veterans Affairs Eric K. Shinseki. "These contracts will enable VA to acquire services for information technology programs that will help ensure timely delivery of healthcare and benefits to our Veterans."

About Four Points Technology:

Four Points Technology, LLC is a Service Disabled Veteran Owned Small Business (SDVOSB) dedicated to providing IT Products and Professional Services to the Federal Government. Four Points Technology offers solutions

that support a wide variety of business initiatives specifically suited for Government organizations. Working with Four Points Technology not only ensures that our clients can fulfill their technology needs, but as a Small Business and SDVOSB, purchasing goals are easily met, as mandated by the Federal Government.
