

Allstar Coaches Opening Full Service Florida RV Rental and Travel Center

FORT LAUDERDALE, Fla., Sept. 7, 2011 (SEND2PRESS NEWSWIRE) – Florida based RV rental dealer Allstar Coaches, announced today the October 11 grand opening of their brand new full service RV rental and travel center in Fort Lauderdale. “We are very excited about opening our new facility which will now serve South Florida’s growing RV community perfectly,” said CEO Rob Tischler.

The new complex is located right in the heart of Broward County at the I-595 and Florida Turnpike Interchange and only five minutes west of Fort Lauderdale-Hollywood International Airport. “Our location couldn’t be more convenient and with everything you need in one spot there’s nothing like it anywhere in Florida,” added Tischler.

In addition to housing their newest Florida RV rental depot, Allstar’s new state-of-the-art facility is a veritable one stop shop for RV enthusiasts. Boasting on-site fueling stations with hi-speed dual fill pumps, an RV dumping station, a 24/7 full service restaurant and even a mini market, travelers can save time and money by tending to all their RVing needs in one location. There is also an onsite repair and service facility, a tire and battery shop, a secure storage area and a drive thru automatic RV wash.

Allstar Coaches RV Rental and Travel Center is adjacent to the new 595 Truckstop which features an on premises chrome shop, a pizza and sub restaurant, DVD rentals, several lounges and on premises medical and financial services. These additional services will also be available to Allstar’s rental customers as the two businesses work together to serve both RV enthusiasts and professional truck drivers.

“Before I’d have to get back a day early and run around town to fuel up and clean the coach before returning it. Now I’ll get to spend that time enjoying my vacation,” says frequent RV renter Jeff Perkins.

The October opening of the new 32 acre complex and recent affiliate partnership with 595 Truckstop is part of the company’s planned expansion and creation of a new nationwide RV rental network. The company also plans to open additional travel centers, introduce a new “mid-tier” line of motorhome rentals and in the coming year will be offering franchised Allstar RV rental locations.

Allstar Coaches provides RV and motorhome rentals in Florida from locations in Fort Lauderdale, Miami and West Palm Beach. With additional locations in California, Arizona, Nevada, New York, New Jersey and Pennsylvania, Allstar Coaches can deliver a luxury RV rental to virtually any doorstep in America.
