

Upland Architects Helps Bring New Life to Tired Retail Center

SWANSEA, Mass., Nov. 11, 2011 (SEND2PRESS NEWSWIRE) – Upland Architects, Inc. announced today that it has finished the last in a series of architectural design plans for the comprehensive renovation of RK Swansea Place, located in Swansea, Massachusetts.

Anchored by Target, Upland was the plaza's lead architect for the new Marshall's store, the facade improvements and the interior fitups for national retailers like Sleepy's, Radio Shack, Famous Footwear and Sally Beauty.

David Katz, Senior Vice President of RK Associates said "We want to thank Upland Architects for their service throughout the project. They worked diligently to meet a very tight schedule and were part of a team that helped to deliver a first class shopping center for the community."

Upland recently completed projects for RK Associates in Newport, RI and Easton, MA.

About Upland Architects, Inc.:

Upland Architects, Inc. (www.UplandArchitects.com) is an architectural firm located in Norton, MA with a focused expertise in retail and commercial design. Their mission is to develop trustworthy relationships with their clients while producing quality designs quickly and efficiently. They service retailers nationally and retain architectural licenses in most North/Mid Atlantic states.

About RK Associates:

RK Associates (www.RKCenters.com) is a privately held, family-owned real estate development company which currently owns over 6 million square feet of commercial space. Their expertise lays in the acquisition, development and management of "open air" regional and community shopping centers in New England and South Florida.
