

# Blue City Chicago Apartments, An Apartment Locating Service Has New Website

CHICAGO, Ill., Nov. 23, 2011 (SEND2PRESS NEWSWIRE) – Blue City Chicago Apartments, Inc. has recently launched a re-designed website that offers Chicago apartment renters an easier and faster means to help them find their next apartment ([www.bluecitychicagoapartments.com](http://www.bluecitychicagoapartments.com)).

The website has been completely revamped from its original flash version. Renters that use mobile and Apple products can now easily access Blue City Chicago Apartments' database of apartments. Other than overall look, Blue City Chicago Apartments' new website makes a renter's [Chicago Apartment Search](#) much easier. A new Chicago Apartment Search map function allows renters to navigate through the city to find their next apartment according to neighborhood, apartment size, and price and availability date. To help renters with their overall Chicago Apartment Search, the map function also helps renters locate local bus and train stops, highway access, restaurants, points of interests, etc.

"We want to make the apartment search process easier for Chicago renters," said Adam Ballog, owner and Leasing Director of Blue City Chicago Apartments. "We know that in Chicago, one of a renter's concerns are the proximity of their apartment to public transportation. By focusing our search capabilities on Chicago neighborhoods and public transit, we believe we created a website that allows renters to easily find their new [Chicago Apartment](#)."

Blue City Chicago Apartments new website also allows renters to apply for an apartment on-line. There is a new "Applications" tab on the website that allows renters to fill out a PDF rental application for their desired apartment and send it directly to the staff of Blue City. Also, the new website allows would-be-renters to pay for any application fees, security deposits, move in fees and first month's rent on-line via credit card or a bank transfer. These new features allow one to easily apply and expedite the process of securing their apartment.
