

American College of Radiation Oncology Engages Revenue Cycle Inc. as its Official Billing/Coding Consultant

AUSTIN, Texas, Dec. 12, 2011 (SEND2PRESS NEWSWIRE) – Revenue Cycle Inc. has again been named the official billing/coding consultant to the American College of Radiation Oncology (ACRO), according to Ron DiGiaino, CEO of Revenue Cycle Inc.

Since 2004, Revenue Cycle Inc.'s consultants have provided services to ACRO members including billing and coding seminars and webinars as well as continuous updates on legal and regulatory developments. In addition, Revenue Cycle Inc. conducts billing and coding seminars at the ACRO annual meeting and at ACRO-sponsored events nationwide.

ACRO has also chosen Revenue Cycle Inc. as its Preferred Provider for Practice Audits and recommends the firm to radiation oncologists for billing, coding and compliance audits as well as general practice information.

"At Revenue Cycle Inc. we take pride in delivering customized, leading-edge consultation to our oncology practice clients," says DiGiaino. "Being named the official billing and coding consultant to the American College of Radiation Oncology is an honor, and we look forward to our ongoing partnership."

Founded in 2002 and based in Austin, Texas, Revenue Cycle Inc. (www.revenuecycleinc.com) is an oncology practice reimbursement consulting firm staffed by a team of diverse healthcare administration specialists.

Revenue Cycle Inc.'s team of experts includes leaders in the business of medical and radiation oncology with an advanced knowledge of human resource management, budgeting, program planning, oncology coding, compliance, training and education, oncology billing and oncology reimbursement, cancer center development, managed care and total operations for both freestanding and hospital Radiation and Medical Oncology clinics.

Revenue Cycle Inc. focuses on every aspect of an oncology practice with an emphasis on compliance, documentation, cancer center management, operational and staffing assessments, electronic medical record (EMR) implementation and department policy and procedure review and development.

The American College of Radiation Oncology's mission is to strive to ensure the highest quality care for radiation therapy patients and promote success in the practice of radiation oncology through education, responsible socioeconomic advocacy and integration of science and technology into clinical practice. ACRO is based in Bethesda, Maryland.
