

Brian Gavin Diamonds has an Incredible Sale on Judith Leiber Jewelry

HOUSTON, Texas, Dec. 14, 2011 (SEND2PRESS NEWSWIRE) – The name of Brian Gavin is known by diamond specialists far and wide. His company's creative take on diamonds paved the way for the introduction of several innovative interpretations of this precious gemstone by implementing his specialized Princess, Hearts and Arrows and Quadex cuts.

Bringing something new to the world of diamonds with each release, Brian Gavin Diamonds has found a way for each of its diamond cuts to outshine the last. Now, the company is in the midst of a sale on some of its finer collaborative products including the entire line of Judith Leiber fashion jewelry. Judith Leiber is renowned for the finely-tuned craftsmanship that goes into each and every one of the products bearing the Leiber name.

The current sale at Brian Gavin Diamonds means that many Judith Leiber pieces are currently 35 percent off the manufacturer's suggested retail price. That means that diamond-laden rings and necklaces can be yours after more than a third of the price disappears – the same goes for Judith Leiber bracelets and earrings. Extremely experienced jewelers, who are considered masters of their craft, design each Judith Leiber product.

This incredible sale – which is a one-time deal – will only last until New Year's Eve. When 2012 hits, the sale prices currently associated with the Judith Leiber products that Brian Gavin Diamonds has in its possession will rise back to their full MSRP. A Judith Leiber bracelet bearing 909 sapphires and enough diamonds to tip the scales at approximately 12.5 carats has a current price tag that is set at \$66,990. With a 35 percent discount, this Judith Leiber diamond bracelet could be yours for less than \$45,000.

Brian Gavin Diamonds and the manufacturers of Judith Leiber have been working together to bring this fine jewelry to their customers in the hopes that each piece in the Judith Leiber line will be highly prized by its recipient. Remember, this fabulous sale will end with this year.
