

# George Jensen, Jr., former USA Technologies Founder joins ThePeoplesVote.com Board of Directors

ORLANDO, Fla., Dec. 19, 2011 (SEND2PRESS NEWSWIRE) – ThePeoplesVote.com is pleased to announce that George Jensen, Jr., current President and CEO of Jensen Expansion Capital, Inc. has joined their Board of Directors. Mr. Jensen will be advising the company on strategic planning and long term expansion, and will also be investing in the company.

“It is both an honor and a privilege to serve on the board of directors of the ThePeoplesVote.com. In light of the tumultuous political climate, the timing of their entrance to the market could not be better. I firmly believe our Founders would be proud of what ThePeoplesVote.com has set out to accomplish: to provide a platform that accurately reflects the true will of the American people. Chuck Kirkpatrick and his talented team have a far-reaching vision, and I am proud to bring my breadth of entrepreneurial experience and focus to the team. As FaceBook and Twitter has forever changed the world of social networking, I believe ThePeoplesVote.com will have the same effect on American politics,” states Mr. Jensen.

Jensen Expansion Capital, Inc. offers strategic advice and assistance for emerging growth companies in the areas of expansion capital and the securing of high profile, professional board members. George Jensen, the founder and CEO, is an experienced CEO and successful entrepreneur raising in excess of \$250 million dollars during his career. He is the former Founder, Chairman & CEO of USA Technologies (NASDAQ:USAT) which became the leader in providing wireless payment solutions for the self-serve market

“As an emerging company, we are very excited to have Mr. Jensen on our Board. He brings a wealth of experience and strategic contacts to the table, and he also shares our aggressive long term vision,” states ThePeoplesVote Founder and President, Chuck Kirkpatrick.

ThePeoplesVote.com provides an internet based, “ballot enabled” social utility that removes the uncertainty as to how citizens expect their elected officials to represent them on important public policy decisions. Designed to handle tens of millions of users, this System replaces the “catch all” methods of phone, fax, email, letters, website comment forms, tweets, and FaceBook posts with one high security communication tool.

This non partisan platform is based on the 100 year old Initiative and Referendum Process and will help citizens understand the issues, and communicate more effectively with their elected officials.

The Peoples Vote will provide a free membership option and has an estimated market of 279 million registered and eligible to vote citizens, including a youth program for ages 13 and up, and 35 million businesses. Their Corporate

Headquarters will be located in Brevard County in the city of Palm Bay, Florida.
