

Commercial and Industrial Lighting Industry Leader Foley Group Celebrates Golden Anniversary

KANSAS CITY, Kan., Dec. 29, 2011 (SEND2PRESS NEWSWIRE) – Foley Group, Inc., a leader in the commercial and industrial lighting industry is celebrating their 50th year in business.

“This is a major milestone for Foley Group. Our company began as a representative for Lithonia Lighting in 1961, and Foley Group still represents Lithonia and the Acuity line today,” said president and co-owner, Scott J. Denney. “We’re pleased about celebrating 50 years in business. Foley Group is delighted to offer the most cutting-edge products and industry expertise for our customers, enabling them to provide the most innovative lighting and lighting control solutions to their clients,” Denney continued.”

“This is an exciting time to be in the lighting industry. The technological advancements in LED lighting and digital controls are revolutionary and enable end users to maximize energy savings and reduce maintenance costs. At the same time the controllability of LED fixtures is easier than ever before for the installer and the end user. In addition to using less energy which saves money and helps the environment, these innovations literally increase the quality of light in the space,” said Denney.

Digital LED lighting is the way of the 21st century, as it is emerging as the viable alternative to fluorescent fixtures.

The team at Foley Group has over 253 years of combined experience in the lighting industry which has resulted in the company’s position as the most respected firm in the field.

“We rely on Foley Group because of their people’s expertise in lighting and lighting control solutions of every type,” said David W. Rezac, principal at the multiple award-winning architectural firm, 360 Architecture, Inc.
