

# Evolve Security and Smartvue Announce Distribution Partnership

PORTLAND, Ore., Feb. 17, 2012 (SEND2PRESS NEWSWIRE) – Evolve Security, an IP-focused security distributor based in Portland, Oregon, today announced a distribution partnership with Smartvue, a leading manufacturer of IP video surveillance solutions.

With this partnership, Evolve Security dealers, installers, and integrators will have access to Smartvue's complete line of IP Video solutions, including Network Video Recorders (NVRs), the online cloud-based remote management service "Cloudvue," and mobile surveillance apps. Featuring award winning software and cutting edge technology, Smartvue offers an innovative and intuitive solution for recording, managing, and storing IP video.

"Smartvue's mission is to make amazing network video surveillance technologies easy and profitable for resellers and integrators to sell, install, and maintain," said Martin Renkis, CEO of Smartvue. "Evolve Security offers a fantastic platform and their expertise with security & IP video technology will provide real value to the industry, especially as we move to higher performance edge devices and cloud-based services."

## **About Smartvue:**

Founded in 1998 and based in Nashville, TN, Smartvue is a leading American manufacturer of professional IP video solutions. The company has received numerous awards, including Best in Show and two Innovations awards at CES, two Mobility awards, and a MacWorld Innovation award.
