

International Document Services Adds Molly Terry as Western Regional Sales Director

SALT LAKE CITY, Utah, March 20, 2012 (SEND2PRESS NEWSWIRE) – International Document Services (IDS), a mortgage document preparation vendor, has hired Molly Terry as its western regional sales director, covering Alaska, Arizona, California, Colorado Hawaii, Idaho, Montana, Nevada, New Mexico, Oregon, Washington and Wyoming.

IDS hired Terry both to manage growing demand for the IDS mortgage document preparation software, idsDoc, and also to fortify internal IDS expert resources.

“Document preparation providers remain relevant and critical in this new era of intensive regulatory oversight and scrutiny, where changes occur on an almost daily basis,” said IDS Executive Vice President Mark Mackey. “Not surprisingly, lenders are finding it difficult to keep up with these changes, and are understandably concerned that their mortgage documents may not comply with the most current requirements.”

“Molly’s extensive knowledge and experience in the mortgage industry, combined with her business relationships, personality and work ethic, make her a great asset and valued addition to the IDS team,” Mackey added.

With 12 years’ experience in the mortgage industry, Terry has worked with technology providers using data-driven document distribution, collaboration and connectivity services for the mortgage banking and title industries.

“It is a privilege to join the IDS team,” said Terry. “Now more than ever, lenders need a document preparation provider they can rely on to ensure their documents’ compliance. IDS’ secure, compliant and cost-effective tools, plus the unmatched expertise of its client service team, meet that need.”
