

# HBM Integrated Technology Inc. Hosting 'A 360 Degree View of Your Business' for Sage Accpac Software Users in Halifax

HALIFAX, Canada, April 5, 2012 (SEND2PRESS NEWSWIRE) – HBM Integrated Technology Inc. ([www.hbmintegrated.com](http://www.hbmintegrated.com)) announced today the opening of registration for "A 360 Degree View of Your Business," an event for accounting, human resources and sales and marketing professionals who use Sage 300 ERP (formerly Sage ERP Accpac). The event will take place on April 20 at the Bayers Lake Theatres in Halifax.

"This is an annual event for our customers, but we welcome any organization that has an interest in Sage 300 ERP," said Garry Beattie, CMA, president of HBM Integrated Technology. "For those considering implementing Sage 300 ERP, it's an opportunity to talk to people who are already using the solution, meet representatives from Sage, and get to know HBM, the authorized Sage Business Partner in Halifax."

Sage 300 ERP is an integrated suite of accounting, human resources and CRM software solutions that allow visibility into key areas of the business giving organization management a more complete view of activity and the key data necessary for strategic decision-making.

"There will be information on using Sage 300 ERP to benefit automation in accounting, human resources and customer relationship management," said Beattie. "We encourage representative from each of these areas to join us at the event."

In addition to HBM principals, presenters will also include Richard Kaberry, Angela Nigro, and Rob Lawson from Sage North America.

The event takes place April 20, 2012 (9 a.m. – 1 p.m.) at the Bayers Lake Theatres, Halifax. There is no charge for the event but registration is required. Attendees may register online at <http://sites.ziftsolutions.com/sage.ziftsolutions.com/8a7c9fef3633818301367d3e7d327dd8> or by calling 902-442-3892.
