

SecuGen Issues Clarifying Statement Concerning Patent Infringement Lawsuit

SANTA CLARA, Calif., April 12, 2012 (SEND2PRESS NEWSWIRE) – SecuGen Corporation, a worldwide leader in the area of fingerprint sensor technology, which is located in Silicon Valley, issued a statement today clarifying a prior press release entitled: “[SecuGen Obtains Permanent Injunction Against Suprema Distributors and OEM Partners in Patent Infringement Lawsuit.](#)”

That press release noted that SecuGen obtained a permanent injunction against RBH Access Technologies, Inc. and RBH USA, Inc. from importing, offering for sale, distributing or selling within the United States products that incorporate non-licensed Suprema fingerprint sensors. SecuGen now clarifies that, based on information provided by Suprema, RBH Access Technologies, Inc. and RBH USA, Inc. are not Suprema distributors or OEM partners.

About SecuGen:

SecuGen Corporation (www.secugen.com) is the world’s leading provider of advanced, optical fingerprint recognition technology, products, tools and platforms for physical and information security. SecuGen designs and develops FBI-certified fingerprint readers and OEM components, developer kits and software, including NIST/MINEX-compliant algorithms.

Known for high quality, ruggedness, and performance in a wide variety of applications and environmental conditions, SecuGen products are used by world-leading financial, medical, government, educational and corporate institutions and are sold through a partner network of over 200 original equipment manufacturers, independent software vendors and system integrators around the world.

Since 1998, SecuGen has made considerable investment in research and development for core technologies and to develop, maintain, and protect its valuable worldwide patents. Strengthened and validated through numerous invalidation attempts and upheld in litigation and reexamination, SecuGen’s patents and intellectual property cover essential technology required to manufacture compact, durable and high quality optical fingerprint sensors that have been adopted by leading fingerprint vendors in the biometrics industry.

SecuGen® is a registered trademark of SecuGen Corp. in the United States and other countries.
