

# Ohio Gratings, Inc. Announces New Sunshade+

CANTON, Ohio, June 26, 2012 (SEND2PRESS NEWSWIRE) – Ohio Gratings, Inc. has launched Sunshade+ a new sunshade product that provides maintenance access for low-rise buildings. This new lightweight product provides shade and a lightweight walking surface and shading system. According to Carl Griffin, Marketing Director, “The concept really grew out of a need for our sunshade louver product needing to support the weight of a maintenance worker.”

The addition of I-bar construction adds extra strength and stability for foot traffic. Sunshade+ spans are pre-engineered for safety and manufactured from pressure locked aluminum.

**Sunshade+** easily integrates into any window system and provides 100 percent solar block at a 72-degree sun angle. The product is designed to carry a 300 lb concentrated load, is available in various finishes and is eligible for LEED credits.

## **About Ohio Gratings:**

Since 1970, Ohio Gratings, Inc. has been a leader in the aluminum and steel bar grating market. With headquarters in Canton, Ohio and additional facilities in South Carolina, Texas and Utah, Ohio Gratings, Inc. is committed to providing quality products and quality service.
