

Allstar Coaches Redefines Luxury RV Travel

FORT LAUDERDALE, Fla., July 17, 2012 (SEND2PRESS NEWSWIRE) – Traveling in a [luxury RV rental](#) just got even better. Allstar Coaches is paving the way and setting new standards in the luxury motorhome rental market. RV rentals continue to grow in popularity. The Recreational Vehicle Industry Association (RVIA) attributes this growth to flexibility and convenience, comfort, family appeal, affordability, lure of the outdoors, versatility and availability of rental RVs.

Rob Tischler, CEO of Allstar Coaches (www.allstarcoaches.com), reports that its firm has seen a large increase in RV rental sales due to soaring airfares.

“People are tired of not having control over when and how they travel,” Tischler says. “Our luxury RV rentals ensure that people travel in style – on their own terms.”

Renting a luxury RV also allows people to travel with pets; this is often a concern for families looking to hit the road. The benefits and advantages to [RV rentals](#) are numerous.

For example, many customers want to combine the adventure of RVing with luxury, five-star hotel amenities. As a result, Allstar offers its clients an array of high-level concierge services that include anything from arranging private chefs and drivers to full itinerary and customized route planning.

“Whether a client wants to hot air balloon at sunrise or ski down a sand dune at sunset, we can make it happen. Our RV renters quickly discover what sets us apart from the rest of the industry,” Tischler says. “We are truly a hotel on wheels. All of our luxury RV rentals boast fully-equipped kitchens, satellite television, hotel-style bedding, fresh towels and ECO Spa bath amenities. It’s the little things that make a big difference.”
