Send2Press® Newswire

During this interactive 2 day leadership course, the founder of Transformation Leadership, Ford Taylor, helps each attendee by equipping them with the practical tools and techniques to become an influential leader at home, work, and in the community. Each TL training is as inspiring as it is informative. The goal is for every person to walk away from a training ready to become the kind of leader they've always aspired to be.

"We have a core belief that if you have influence with one or more people, then you are a leader," states Transformational Leadership founder, Ford Taylor. "TL (Transformational Leadership) uses common language for dealing

with conflicts and difficult issues to maximum results. The tools, ingredients, and recipes taught in this leadership training drive unity, remove constraints, and empower growth in any organization.”

About Transformational Leadership’s Vision, Purpose and Mission:

The TL Vision is to teach, train and equip leaders who develop other leaders who will bring transformation to every sphere of influence.

The TL Purpose is to see every sphere of society positively impacted around the world by developing leaders of leaders.

The TL Mission is to live the tools and behaviors we teach.
