

ACE Home Services Providing Support for Urban Farm Program at St. Vincent De Paul's 2019 Fall Festival

PHOENIX, Ariz., Sept. 17, 2019 (SEND2PRESS NEWSWIRE) – It's the second edition of the Urban Farm Program at St. Vincent de Paul's 2019 Fall Festival. ACE Home Services will be providing resources, supplies, and other benefits for the less fortunate in the society.

Send2Press® Newswire

ACE Home Services is a top HVAC and Plumbing company servicing the Phoenix Metro area. For years since it was founded, they have provided homes with quality AC and Heating facility maintenance, equipment installation, and repair, ensuring smooth operation in homes.

As part of their Corporate Social Responsibility and intervention, the company announced they will be providing support to the Urban Farm Program at St. Vincent de Paul's 2019 Fall Festival on their Human Services Campus. The event will be taking place Friday, September 20, 2019 11 a.m. – 1 p.m., at 1075 W Jackson St., Phoenix, AZ 85007.

The goal of the festival is to engage less fortunate people in society to

have access to resources related to wellness, urban farming, health, and connections to end their homelessness.

This is the 2nd annual Fall Festival/Wellness Fair by Urban Farm Program and ACE Home Services is proud to be participating once again. In last year's event, the company had over 30 volunteers who helped with farm maintenance, feeding the homeless, and providing support to staff.

For the event of this year, they promise to do even better. Plans have already been put in place to provide more resources, materials, and relief items to help make the life of the people better. They will be handing out backpacks that may help individuals experiencing homelessness and are looking for help on the campus. These backpacks will include items such as aluminum water bottles, cooling towels and cooling bags for food.

In addition to the backpacks, ACE Home Services will also be holding an internal sock drive for the event. It is their hope that these socks will provide comfort to those who deserve it, especially during the coming harsh weather conditions.

ACE Home Services is providing this support as part of their desire to see a better society with more happy people. They're not just about serving customers but also about showing humanity and kindness and accessing the energy in sacrifice and giving.

About ACE Home Services:
