

Addition of 23 Jurisdictions in the Eastern U.S. Pushes Simplifile E-recording Network Past the 1,700th Mark

PROVO, Utah, Jan. 24, 2018 (SEND2PRESS NEWSWIRE) – Simplifile, a leading provider of real estate document collaboration and recording technologies for lenders, settlement agents, and counties, today announced that 23 additional recording jurisdictions throughout the Northeast, Mid-Atlantic, and Southeast have adopted Simplifile’s e-recording platform.

Send2Press® Newswire

Included in this slate of new jurisdictions is Simplifile’s 1,700th e-recording jurisdiction. To date, the Simplifile e-recording network includes 1,715 jurisdictions, which encompasses 97 percent of the total number of U.S. jurisdictions reported by the Property Records Industry Association (PRIA) [see **Note 1*].

“Having spent nearly two decades of my career championing the adoption of e-recording, hitting a milestone like signing our 1,700th e-recording jurisdiction is especially gratifying,” said Paul Clifford, president of

Simplifile. "Every day, we see more jurisdictions begin to recognize the benefits of modernizing their offices through e-recording, and I look forward to the day when e-recording becomes a reality for every recording jurisdiction within in the United States."

The latest additions to the Simplifile e-recording network are:

- Talladega County, Ala.
- Faulkner County, Ark.
- City of Milford, Conn.
- Town of Killingly, Conn.
- Town of Marlborough, Conn.
- Town of Wilton, Conn.
- Town of Winchester, Conn.
- Houston County, Ga.
- Vernon Parish, La.
- Montgomery County, Md.
- Lee County, Miss.
- Cherokee County, N.C.
- Polk County, N.C.
- Onondaga County, N.Y.
- Rensselaer County, N.Y.
- Tioga County, N.Y.
- Schuylkill County, Pa.
- Putnam County, Tenn.
- Unicoi County, Tenn.
- Craig County, Va.
- Bedford County, Va.
- Shenandoah County, Va.
- Waynesboro County, Va.

*[*Note 1: As of Dec. 31, 2017]*

The recording offices located within in these jurisdictions now have the ability to electronically receive, stamp, record, and return documents through Simplifile's system in a matter of minutes, thus reducing documentation and processing errors. The Simplifile system also eliminates check-writing expenses by allowing settlement agents to submit recording fees and other recording-related expenses directly through an integrated electronic payment system.

About Simplifile:

Simplifile, the nation's largest e-recording network, was founded in 2000 to connect settlement agents and county recorders via its e-recording service. Today Simplifile has broadened its services to include collaboration tools and post-closing visibility for mortgage lenders and settlement agents working together on real estate documents. Through Simplifile, users can securely record, share, and track documents, data, and fees with ease.
