“We are excited to see current and potential customers at CES in a few weeks and premiere our QuickSuite technology,” says Dawn Taylor, After, Inc.’s Chief Revenue Officer. “After has a long history of strong partnerships with the largest manufacturers in the world. QuickSuite allows us to bring those same proven processes to manufacturers, TPAs and retailers at a much lower cost. QuickSuite includes five modular platforms that together manage the entire post-sale customer lifecycle: registration and upsell/cross-sell (QuickReg®), product protection (QuickCover®), claims management (QuickClaim®), behavioral and predictive analytics (QuickInsight®), and renewal or subscription management (QuickRenew®).”

The company will be holding private meetings at Vdara Hotel and Spa on January 5th-7th. If you plan to be there and would like to schedule a meeting, you can reach out to Dawn Taylor directly at dtaylor@afterinc.com or

contact Scott Morrison, EVP Business Development (smorrison@afterinc.com) or Dan Hulkower, SVP, Business Development (dhulkower@afterinc.com).

To learn more about QuickReg® and QuickCover®, visit our product websites at <https://www.quickreg.me/> and <https://www.quickcover.me/>. QuickClaim®, QuickInsight®, and QuickRenew® are launching in late January and early February 2022.
