### About AJ's on the Bayou

Since 1984, AJ's Seafood and Oyster Bar has been serving cold Gulf Coast oysters and cool libations. What began as a popular local hang out known for fresh oysters and cold beer has grown into one of the most iconic "hot spots" on Florida's Destin Harbor. From its humble beginning shucking oysters off the deck behind a small trailer on the Destin Harbor, its proud to have grown

to four locations along Florida's Emerald Coast.
