

Alessandro Feitosa joins 5 Bars as Vice President, Solution Engineering

IRVINE, Calif., March 24, 2017 (SEND2PRESS NEWSWIRE) – 5 BARS® announced today that Alessandro Feitosa has joined 5 Bars as Vice President, Solution Engineering. Alessandro brings 15 years of experience and expertise in the sports and technology space. He has led strategic pursuits and deployments across the globe.

Send2Press® Newswire

Alessandro has been involved with the design, engineering, installation and management of high density Wi-Fi networks, including World Cup Soccer, MLB, NHL and NBA facilities as well as dozens of stadiums worldwide.

Prior to joining 5 Bars, Alessandro held key technology roles at Nokia, Cisco, Juniper Networks and Ruckus Wireless.

“We are beyond thrilled to have Alessandro join the 5 Bars team,” said Monnie McGaffigan, President of 5 Bars. “His expertise in this space is second to none and anyone that has worked with Alessandro appreciates his experience and commitment to excellence.”
