

Aligned Technology Solutions Announces Participation in the 2019 ASAE Technology Exploration Conference

ALEXANDRIA, Va., Nov. 15, 2019 (SEND2PRESS NEWSWIRE) – Aligned Technology Solutions, an award-winning IT services provider for Associations and Nonprofits in the Washington D.C. region, announced its plans to exhibit at the [ASAE Technology Exploration Conference \(TEC\)](#). The two-day event, for association and non-profit technology executives, is tailored to the needs of an increasingly technology-driven community where attendees can find all the education, solutions, and connections they're looking for.

Send2Press® Newswire

ASAE TEC will be held on December 3-4, 2019 at the Walter E. Washington Convention Center in Washington, D.C.

Aligned Technology Solutions specializes in supporting Associations and Nonprofits with all managed IT needs to help those organizations grow and achieve success. Committed to providing best-in-class affordable and reliable IT support, it is the goal of ATS to keep mission-driven organizations focused on helping others.

“We understand the unique needs of these organizations, our company was founded on supporting them.” says Don Sauer, Co-founder, Aligned Technology Solutions. “We love the fact that we get to support so many great and important missions.”

Exhibiting at [booth #912](#), representatives from Aligned Technology Solutions will be available to discuss how their IT services can be tailored to best support your organization. Conference attendees can book a one-on-one appointment in advance by visiting the [ASAE TEC website](#).
