Located at 16800 S. Highland Ave., the all-new Fontana Mazda dealership will begin selling cars at 9 a.m. on Aug. 5. The party will go into full gear over the weekend, when the talented DJ Soleil will be in attendance.

DJ Soleil will provide the latest tunes to groove to from Aug. 9 to Aug. 18, from 10 a.m. to 7 p.m. Celebration attendees who purchase a new Mazda will enjoy two years of factory maintenance free of charge. This special offer will last all month long.

“It has been a lot of work to get our doors open, but that time is just around the corner. Getting to hang out, dance and eat with the community will

be a great way to top off all our preparation,” said General Manager David Reynolds. “The whole Fontana Mazda team couldn’t be happier to start matching Mazda cars and SUVs with the people who need them here in Fontana.”

Fontana Mazda is excited to bring Mazda to the masses as the first dealership for the brand in the city. The new dealership is situated on a 129,000 square-foot lot with a 30,500 square-foot main building. Mazda fans can purchase one of over 300 vehicles, ranging from CX-3 subcompact crossovers to MX-5 Miata sports cars.

The dealership won’t just bring new cars to the area, though, as over 20 new jobs are being created for the city. In fact, Fontana Mazda is still hiring additional staff and welcomes applications from job seekers.

“Supporting our community is a core value of Fontana Mazda, so we are very happy to be able to offer such high-quality jobs to hard-working Fontana residents.”

The two weeks of celebration will serve as a soft opening for the Fontana Mazda, with an official ribbon cutting ceremony and more to come on a to-be-announced date in Sep.
